First Class requirement 4B requires that the scout obtain pricing and amount information for a typical weekend menu. Scouts should take this worksheet to the supermarket and right down suggested amounts (e.g. 2 loafs of bread for lunch). Scouts should also compare the cost of name-brand items (e.g. Kellogs Frosted Flakes) versus store-brand items (e.g. Acme-brand Frosted Flakes). When complete, turn in to patrol advisor or an assistant scoutmaster.
